

Effective May 17, 2012

All rental car companies currently operating at Sea-Tac Airport have moved their customer service counters, rental vehicles and related activities to the new rental car facility. Dedicated shuttle buses operate 24 hours a day with two passenger pick-up areas located outside [baggage claim](#) at the north and south ends of the main terminal.

Upon arrival at Sea-Tac Airport

- Proceed to the baggage claim level and pick up your checked bags.
- Exit the sliding glass doors near carousel #1 or #15 and walk to one of the two designated shuttle bus pick-up areas.
- Shuttle buses depart frequently for the rental car facility.
- If you are returning a vehicle, take SR518 and follow signs for the Rental Car Facility.
