Part B - Organization - Control and Levels

1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions appearance to students. If you reported incorrectly in a previous year, please contact the Help Desk at 877.225.2568 to correct the error.

- Public - Select primary and or secondary controls below
 - Primary control Secondary control (if applicable)
 - State
 - Private for-profit
 - Private not-for-profit independent (no religious affiliation)
 - Private not-for-profit religious affiliation - Select affiliation below

2. What award levels are offered by your institution? [Check all that apply]

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), **determine program length by the number of credit or contact hours**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs. Check the applicable award level 1, 2, or 4, depending on the length of the Teacher Preparation program.

- Semester
- Quarter
- Trimester
- 4-1-4 or similar plan

Program Reporting Method (Other calendar system)

Selecting one of the following calendar types determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL-YEAR COHORT, and student charges data by PROGRAM.

Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students?

If your institution does not have any library expenditures, no additional reporting is necessary. If library expenditures are greater than 0, you will be required to report additional information on your library collections in the Academic Libraries component. If the amount reported is greater than 100,000, additional screens will be required in the Academic Libraries component for reporting additional expenditure information.
