**Section II - Graduation Rate - Transfers/exclusions**

- In the columns below, report the status of the BACHELOR'S DEGREE-SEEKING STUDENTS reported in the subcohort in Column 10, who did not complete a program as of 150% of normal time to completion.
- Report transfers-out who did not complete a program in Column 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in Column 30. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.
- Report exclusions from the cohort in Column 45. The ONLY allowable categories for this column are:  
 students who died or became permanently disabled  
 students who left school to serve in the armed forces (or have been called up to active duty)  
 students who left school to serve with a foreign aid service of the Federal Government  
 students who left school to serve on an official church mission
- Column 52 [No longer enrolled] will be calculated for you. This includes students who have dropped out or who completed in greater than 150% of normal time.
- If you do not have any values to enter in either Columns 30, 45, or 51, you must enter at least one zero in a field on this screen

**Summary****2012 IPEDS Graduation Rate Component Data Summary**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR.
