Who are we?

Eagle Sound Productions is a student-run group that provides audio/visual/sound support for EWU campus events. We provide microphones (wireless, lapel, and wired), speakers, music, set-up for concerts, campus events, lectures and guest speakers, and much more.

Meet the projectors

Christie D20HD-HS Achieving 18,500 lumens, this projector produces amazing true-to-life visuals. Thanks to the enhanced color accuracy of Christie's patented Bold-Color Technology and HD resolution, the Christie D20HD-HS is the lightest and brightest 1DLP projector on the market.

All our projectors achieve full HD resolution to help project your event to a success.

Put your event in the spotlight with Eagle Sound

Haze and geysers

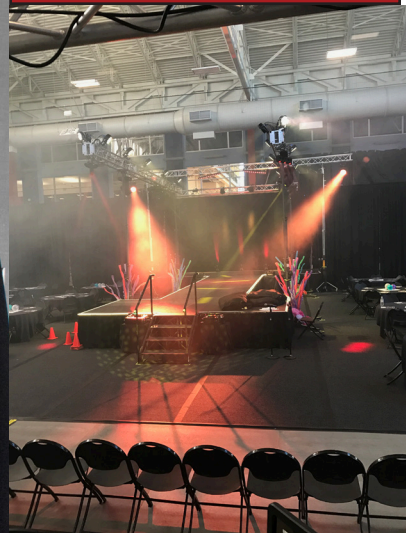

Bring the center of attention forward with Eagle Sound spotlights.

Add suspense with our powerful hazer.

Crowds will burst to the more dynamic feel of your event with our fog geysers.

Did you know:

The difference between fog and haze is that fog is water-based while haze is oil-based.

Meet the special FX Lights

Spice up your event with the special FX Lighting, these include our UV lighting, LED ribbon, light bars, and moving fixtures, which hold our fan-favorite EWU logo. GO EAGLES!

Meet the lights

Light up your event with Eagle Sound! We have over 20 lights in our inventory to brighten the outcome of your event. Our inventory includes various pars, and ellipsoidal lights with 5 different lighting controllers to give your event that Midas touch.

All of Eagle Sound light fixtures are LED

Eagle Sound gives you a promise...

Eagle Sound has a wide array of speakers and subs available to blow your event away. These professional speakers produce crystal-clear audio with great range.

of quality for your event.

Meet the speakers

Meet the mixers

With powerful multi-channel mixers, we can handle 32+ inputs that are able to work in an environment of any size or scale.

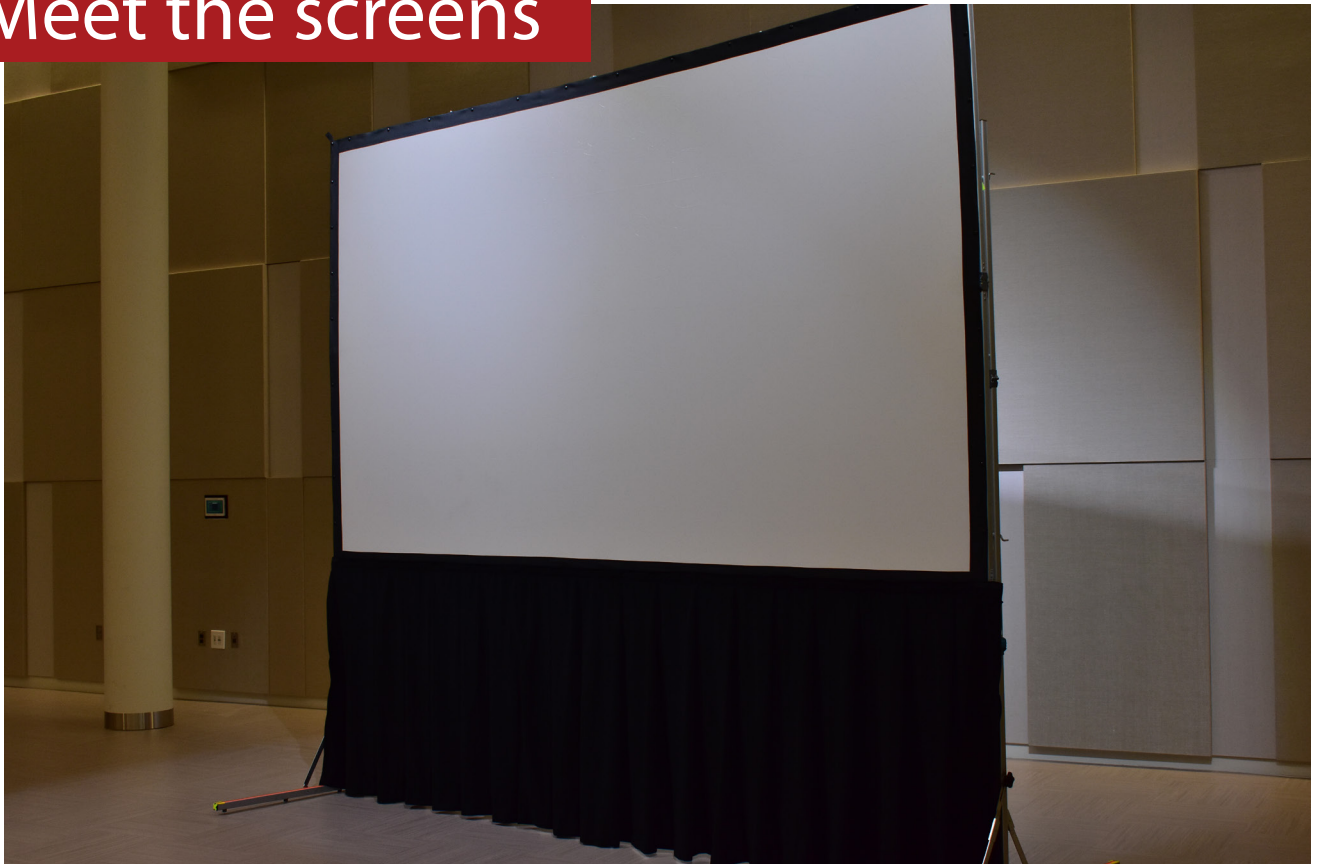

Our inventory includes mixers like Behringer X32 and Allen & Heath GLD 80.

Our wide range of microphones can help any event, whether your needs are simple or complex. We have wired, wireless hand-held, lapel, and discreet headsets, as well as a selection of instrument mics.

Meet the screens

From small-scale to large-scale, Eagle Sound has what you need.

Eagle Sound Productions

House system

The PUB NCR house system features a total of 3 screens: 2 in the east orientation and 1 large screen in the south orientation. This house package features up to 4 mics with set house lighting and 16 built-in theatrical fixtures.

\$30 base + \$15/hour.

Lecture and tabling

Our Lecture and Tabling setup features 2 medium speakers, a small mixer, and 1-2 mics. This setup is perfect for promoting your organization or to draw eyes to your cause. This is especially true if you have a low-scale presenter, as it helps the whole audience hear what the presenter has to say.

\$30 base + \$20/hour.

Panel or Council Meeting setup

Panel:

Our Panel setup is perfect for debates and various panels to help everyone have a voice in the discussion, using medium speakers and up to 6 mics.

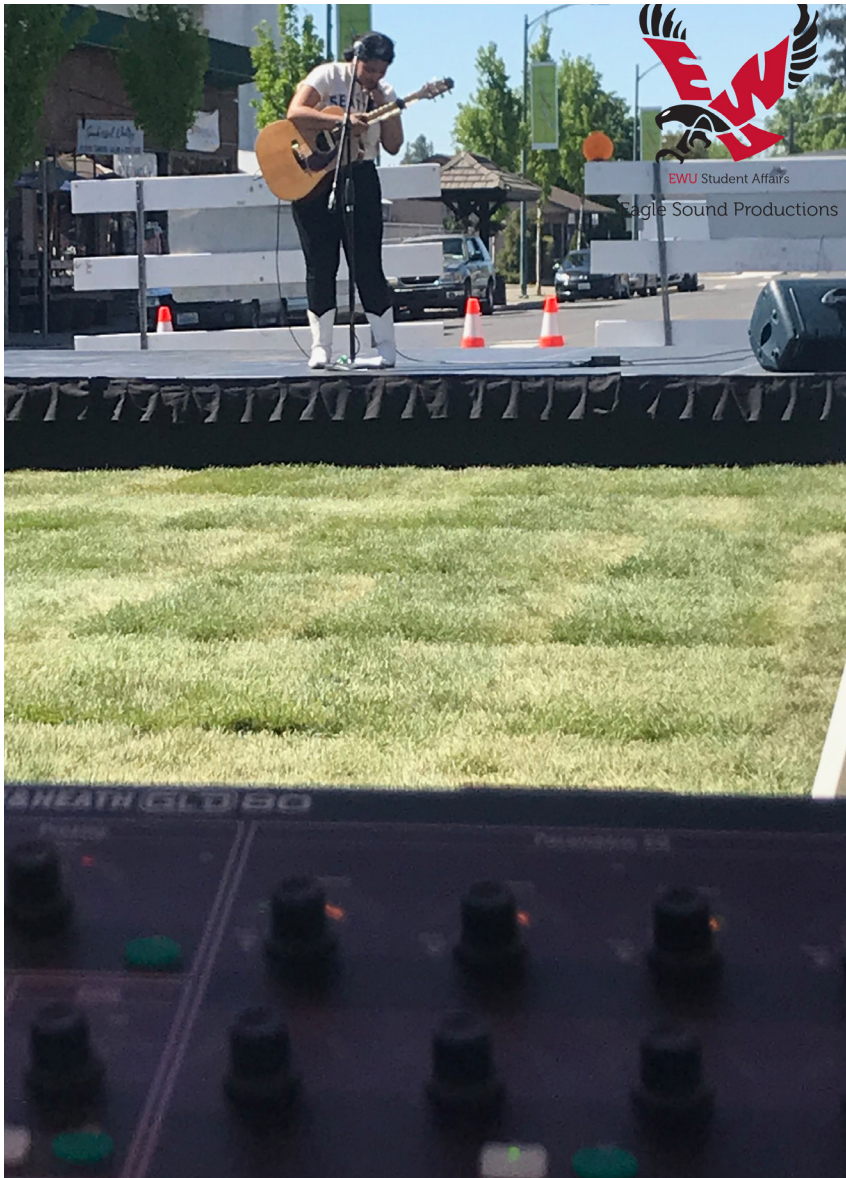

\$40 base + \$15/hour

Council meeting:

Compared to our Panel setup, the Council Meeting setup is larger with 6+ mics, utilizing a wireless board for seamless control of your event and discreet wiring. This is the setup used for ASEWU council meetings.

\$60 base + \$15/hour

Simple band

Eagle Sound supports artists and bands of various sizes. Our starting band package features medium to large speakers and subwoofers for a full range of audio, as well as a large sound board with advanced capabilities.

This package includes 4 mics, a monitor, and large speakers with add-ons available. For further consulting, please contact Eagle Sound at eaglesound@ewu.edu.
