

# Roundtable Discussions:

Where do we go from  
here?

# Strategic Reorganization

- Step 1: Individually, consider the following:
  - What have you heard today that has impacted your thinking about high school to college transition?
  - What burning issues of high school to college transition are on your mind right now?
  - Looking forward, who in this room are you most likely to work with to address these burning issues?
- Step 2: Make a move:
  - Get up.
  - Relocate so that you're sitting with who you see as your strategic partners in this work moving forward.

# Roundtable Discussions

- What have you heard today that has impacted your thinking about high school to college transition?
- What burning issues of high school to college transition are on your mind right now?

# Roundtable Discussions

- Considering your previous discussion and what you heard from your colleagues around the room, brainstorm the following:
  - Potential projects
  - Potential future collaborations
  - Newly indentified goals for collaborative work

# Roundtable Discussions

- Make a concrete plan!
  - What are your next steps?
  - Who do you need to pull into your work to help it be successful?
  - What are the potential challenges and how will you address them?

Make it  
happen!
